

**Certification of Exemption from Recommended High School for student who entered Grade 9 before the 2007-2008 school year**

**BACKGROUND INFORMATION**

The Texas Legislature established new requirements for student eligibility for admission to any Texas public university under the Uniform Admission Policy (Texas Education Code §§51.803-51.809). House Bill 3826 (80th Legislature) requires that all students complete at least the Recommended High School Program (RHSP) in order to be eligible for consideration for admission to a public university. However, applicants to the University of North Texas at Dallas may qualify for admission consideration by completing a portion of the Recommended High School Program or the Distinguished Achievement Program, by completing high school coursework that is equivalent in content or rigor, or by meeting other qualifications. These changes became effective on September 1, 2009.

Two different forms are available for applicants. **This one should be used only for students who entered grade 9 before the 2007-2008 school year.**

**ELIGIBILITY FOR ADMISSION TO ANY TEXAS PUBLIC UNIVERSITY**

A student may be considered for admission to the University of North Texas at Dallas if the student completes the Recommended High School Program, or its equivalent, the Distinguished Achievement Program (also known as the Advanced High School Program), or its equivalent, or has achieved college readiness scores on the ACT or SAT entrance exams. Students who attend schools that do not offer the Recommended or Distinguished Program or who are able to complete only a portion of the Recommended or Distinguished Program because the courses are not available to the student (for example, private Texas schools and out-of-state schools) may still be eligible for admission to the University of North Texas at Dallas.

**COMPLETION AND SUBMISSION INSTRUCTIONS FOR HIGH SCHOOL ADMINISTRATORS**

Complete the following steps for each student at your high school who is applying for admission to the University of North Texas at Dallas and who was not able to complete the Recommended High School Program (or the Distinguished Achievement Program):

1. If the student's exemption is based on coursework taken, complete the right-hand column of the program and course table (page 2 of this form) indicating the courses that the student will or has completed.
2. Complete the certification statement (page 3 of this form).
3. Submit page 2 (if needed to indicate coursework taken), and page 3 of this form to the University of North Texas at Dallas by fax (972-780-3694) or by mail (University of North Texas at Dallas, Office of Admissions, 7300 University Hills Blvd., Dallas, TX 75241).
