

Serve Abroad in Granada, Spain

Service learning in Granada, Spain allows students to contribute to impactful community projects while gaining cultural insight and practical experience in a vibrant, diverse setting.

WHY SERVE ABROAD?

ISA Service-Learning will expand your knowledge and allow your passion for service to grow as you:

- Learn about the health care system of another country
- Practice medical terminology in a foreign language
- Observe and learn from health professionals
- Increase leadership, problem-solving, and intercultural competency skills

ABOUT GRANADA

Granada is a cultural gem in the southern province of Andalusia. Sitting at the base of the Sierra Nevada mountain range, it is ruggedly beautiful and overflowing with cultural and architectural remnants of an illustrious past. Though historic, Granada is a modern college town filled with a myriad of opportunities to integrate with its community and experience its culture.

ABOUT THE PROGRAM

- **Dates:**
 - Summer 4-Week
 - Late May - Late June, 2025
 - Late June - Late July, 2025
 - Summer 8-Week
 - Late May - Late July, 2025
- **Housing:** Homestay, Apartment, Student Residence

Service-Learning Options

Full time service-learning (20-25 hours/week)

Placement Examples:

- Senior Citizen Home
- Community Health Organization
- Local Hospital

Our curriculum encourages you to think critically about social issues in your host country. You will explore your social identity and your role as a global citizen.

*Language proficiency requirements vary per site and per host organization.

**All ISA Service-Learning participants are required to submit a comprehensive criminal background check.

***All participants in health-related organizations will complete the Global Ambassadors for Patient Safety (GAPS) workshop to ensure ethical standards are met while serving abroad.
